

LOGITECH TRADE COMPLIANCE SERVICES EU

This Logitech Europe S.A.'s Product Classification Chart is for reference only. Please note that these classifications were developed for import in the European Union. This information is subject to change by local customs at anytime which may result in an increase in duty/taxes and/or fees applicable upon importation or special documentation requirements at a later date. Logitech Europe S.A. makes no representation or warranty as to the accuracy or reliability of the classifications listed in this Product Classification Chart. Any use of such classifications by the user, is without recourse to Logitech Europe S.A. and is at the users' own risk. Logitech S.A. is in no way responsible for any damages whether direct, consequential, incidental, or otherwise, suffered by the user as a result of using or relying upon such classifications, for any purpose whatsoever.
